Dear Mr. Yap:

Attached you will find documents in response to your recent correspondence. Our committee, by this correspondence, will amend our July 15 Quarterly Report, October 15 Quarterly Report, Twelfth Day Preceding General Election Report, Thirtieth Day Following General Election Report and the January Year End Report.

The question concerning the excess contribution is being addressed. Upon examination it appears that the reported amount was made in error. We have contacted the source of the information to ask for clarification and the amount that should be appropriated to our candidate. We have attached copies of our request. Once that information is received, I'm sure it will prompt another amendment to our report.

You will also find enclosed copies of our letters requesting employer information for our contributors.

Also, we are filing Form 1, Statement of Organization, and Form 2, Statement of Candidacy, for the current election cycle.

I trust this information addresses your concerns.

Sincerely,

Craig A. Stanley
Treasurer
